BNS scientific meeting 17/6/2016 Brussels, Belgium

Dear member of the BNS,

The board of the Benelux Neuromodulation Society (BNS) has the honor to invite you to a scientific meeting with experts in the field of peripheral neurostimulation (PNS) and Dorsal Root Ganglion (DRG) stimulation.

Location:

Atomium (specific room will be announced)
Atomiumsquare
1020 Brussel, België

Program :

➤ **PNS (9-12 pm) : chairman Maarten Moens:**

09.30-10.00:

welcome-coffee

10.00-12.15:

Erik Jan van Gorp: pathophysiology of PNS

Mike de Jongste: clinical experience with PNS

Erkan Kurt: An update on peripheral nerve stimulation

➤ **12.15-1.30: Lunch**

➤ **DRG (1.30-5.30): chairman Liong Liem:**

1.30-3.10:

Frank Huygen: pathophysiology of DRG

Harold Nijhuis: implantation technique of DRG stimulation

3.10-3.30:

Break

3.30-5.10:

Frederik Mol: post-operative pain and DRG stimulation

Jean Pierre van Buyten: review of literature on DRG stimulation

For further information please contact Els@gcb.nl.

Electrical greetings,

Mike de Jongste
Chairman BNS
