

BNS scientific meeting

October 11th Antwerp, Belgium

Dear member of the BNS,

The board of the Benelux Neuromodulation Society (BNS) has the honor to invite you to a **scientific meeting** with experts in the field of *spinal drug delivery (SDD)*, *spinal cord stimulation (SCS)*, *peripheral neurostimulation (PNS)* and *Dorsal Root Ganglion (DRG) stimulation*. You will be welcomed with a lunch, after which the program will start with three plenary speakers. After a short coffee break we invite researchers/PhD's to present recent work. During this science café you will be able to connect with other experts and with the industry.

New: At the end of this program three presenters will be awarded!

Program

Friday October 11th 2019

Radisson Blu Astrid Hotel Antwerp (Belgium)

- 13.00 – 14.00 Welcome, lunch and exhibition
- 14.00 – 15.30 Plenary speakers
- 15.30 – 16.00 Coffee break
- 16.00 – 18.30 Science café
- 18.30 – 21.00 Informal diner

Skills-awards

The board is also happy to introduce “**skills-awards**”. Three presenters will be awarded for their skills (best oral presentation; best visual presentation; best scientific content) and receive € 1.500,- each to invest in neuromodulation related research.

A more detailed program and a link to the online registration form will follow soon. For further information please contact sharon@gcb.nl.

With kind regards,

BNS Board

Monique Steegers, Maarten Moens, Harold Nijhuis, Erkan Kurt & Mark Plazier
