Brussels, August 3, 2015

Dear BNS member,

You are invited for the BNS scientific meeting in Brussels, Atomium, Belgium 30/10/2015

The Benelux Neuromodulation Society (BNS) board has scheduled the scientific meeting for this year with experts in the field of peripheral neurostimulation (PNS) and Dorsal Root Ganglion (DRG) stimulation. Presentations are scheduled for 30', followed by 20' discussion.

The program (draft version) comprises the following

➤ **PNS (9-12 am). Chair: Prof Maarten Moens:**

09.00-10.40:

Erik Jan van Gorp: pathophysiology and PNS

To be determined: subcutane innervation en bioelectrical mechanisms of PNS

10.40-11.00: Break

11.00-12.40:

Mike DeJongste: clinical experiences with PNS

Erkan Kurt: What does the PNS literature tells us?

➤ **12.40-1.30 pm: Lunch**

➤ **DRG (1.30-5.30 pm). Chair: Dr Liong Liem**

13.30-15.10:

Frank Huygen: pathophysiology and DRG

Harold Nijhuis: implantation technique DRG stimulatie

15.10-15.30: Break

15.30-17.10:

Jean Pierre van Buyten: What does DRG literature tells us?

Frederik Mol: post-surgical pain and DRG stimulation

On behalf of the BNS board,

Local coordinator: Prof Maarten Moens
